Holiday Activities to do on the go!

Let's hit the road for the holidays!

We're so excited to celebrate the holidays with you! As you hit the road (aka leave your trusty internet connection) here's how to best use these resources!

1. Get the app and download your titles!

You can download on Google Play or on the App Store. Save titles to watch offline.

Our special Holiday Playlist includes:

- *Arctic Christmas*
- *Christmas Train*
- *Caleb's Hanukkah*
- *The Mitten*
- *The Nutcracker*
- *Snowflakes*
- *The Very Cold, Freezing, No-Number Day*
- *T.E.A.M. Rudolph and the Reindeer Games*

2. Gather some materials!

You won't need much, but a few simple things from home will make this resource even better.

Materials

- Notebook or several pieces of paper
- Pencil, crayons, or markers

3. Print this resource!

You'll need to print all the following pages of this PDF to get the most fun out of the activities.

Book Chat

Christmas Train

All aboard the *Christmas Train*! Join Santa, his enterprising elves, snuggly snowmen, friendly carolers, and the rest of Christmas's colorful characters on a train ride that teaches counting.

Discuss the story and write your answers together.

What is *Christmas Train* about?

Have you ever ridden on a train?

Do you think reindeer can really fly?

What is your favorite Christmas treat?

Can you count from 1 to 20? Count aloud or write the numbers on the line.

Vooks Pause & Ponder

Arctic Christmas

While you're reading *Arctic Christmas*, pause at the indicated time stamps and discuss the story.

0:27	Why are the visitors coming? What clues did you use?
1:02	Why do you think decorations are usually used for holidays?
1:15	Name some examples of alliteration on this page.
2:05	How are the characters feeling here? What clues did you use?
2:20	Why is hanging the star difficult?
2:37	How are the characters feeling here? What clues did you use?
3:07	Do you think everyone enjoyed the visit? What clues did you use?

After viewing the Book:

1. What are some of your holiday traditions?

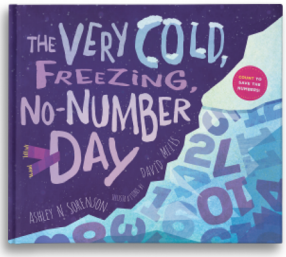

Snowflakes
True or False

Read the statement below and circle the “T” if it is true or the “F” if it is false. Watch *Snowflakes* on Vooks to see if your answers are correct.

1	No two snowflakes are alike.	T	F
2	Wilson A. Bentley was the first person to take a picture of a snowflake.	T	F
3	Wilson A. Bentley is known as The Snowflake Man.	T	F
4	Most snowflakes have six sides.	T	F
5	Some snowflakes have twelve sides.	T	F
6	The largest snowflake fell in Montana.	T	F
7	The shape of a snowflake depends on the temperature at which it was formed.	T	F
8	Snowflakes are formed by up to 200 snow crystals.	T	F
9	All snowflakes are the same.	T	F
10	Snowflakes can have many different numbers of sides.	T	F
11	No one has ever been able to take a picture of a snowflake because they melt so quickly.	T	F
12	The largest snowflake fell in Oregon.	T	F
13	The shape of the snowflake depends on the state in which it falls.	T	F
14	All snowflakes are formed by 10 snow crystals.	T	F

Freezing Drawing and Writing

Draw a picture and write a story about what would happen if there were no numbers. Forgot your pencil? Tell your story to your carmates and act it out as you go!
