VOOKS

The Nutracker Ballerina

Materials needed

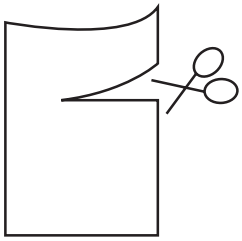

- Paper (8 ½ by 11)
- Scissors
- Ruler
- Ballerina template on the following page

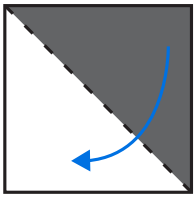

1. Start with an 8 ½ x 11 sheet of paper to make your snowflake ballerina skirt.

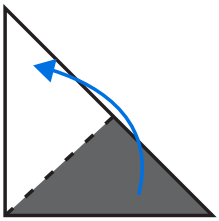

2. Measure along the longer 11” side of your paper and make a mark and draw a line at 8 ½ inches.

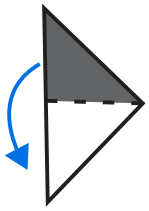

3. Cut along that line so that you have a square with 4 equal sides.

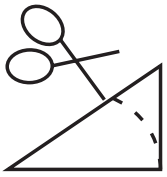

4. Fold the square 3 times. The first is a diagonal fold from one corner to the other to make a triangle.

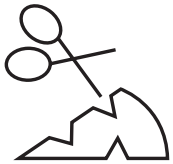

5. Next, fold that triangle in half.

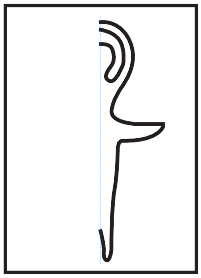

6. Then, fold in half one more time.

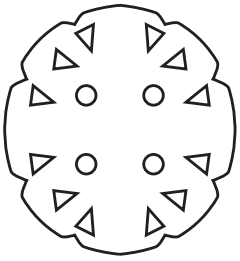

7. Round the corner of the triangle with scissors.

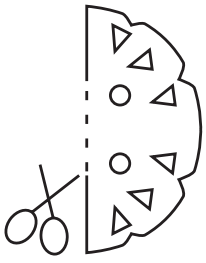

8. Add a few cuts around the edges.

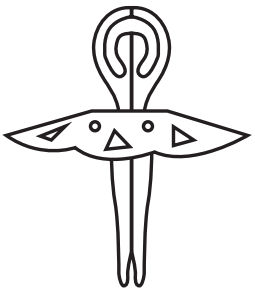

9. Use the instructions on the following page to create your ballerina from the template.

10. Open up your snowflake ballerina skirt and then, fold it in half.

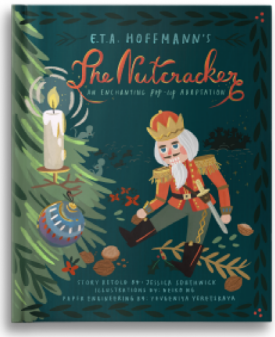

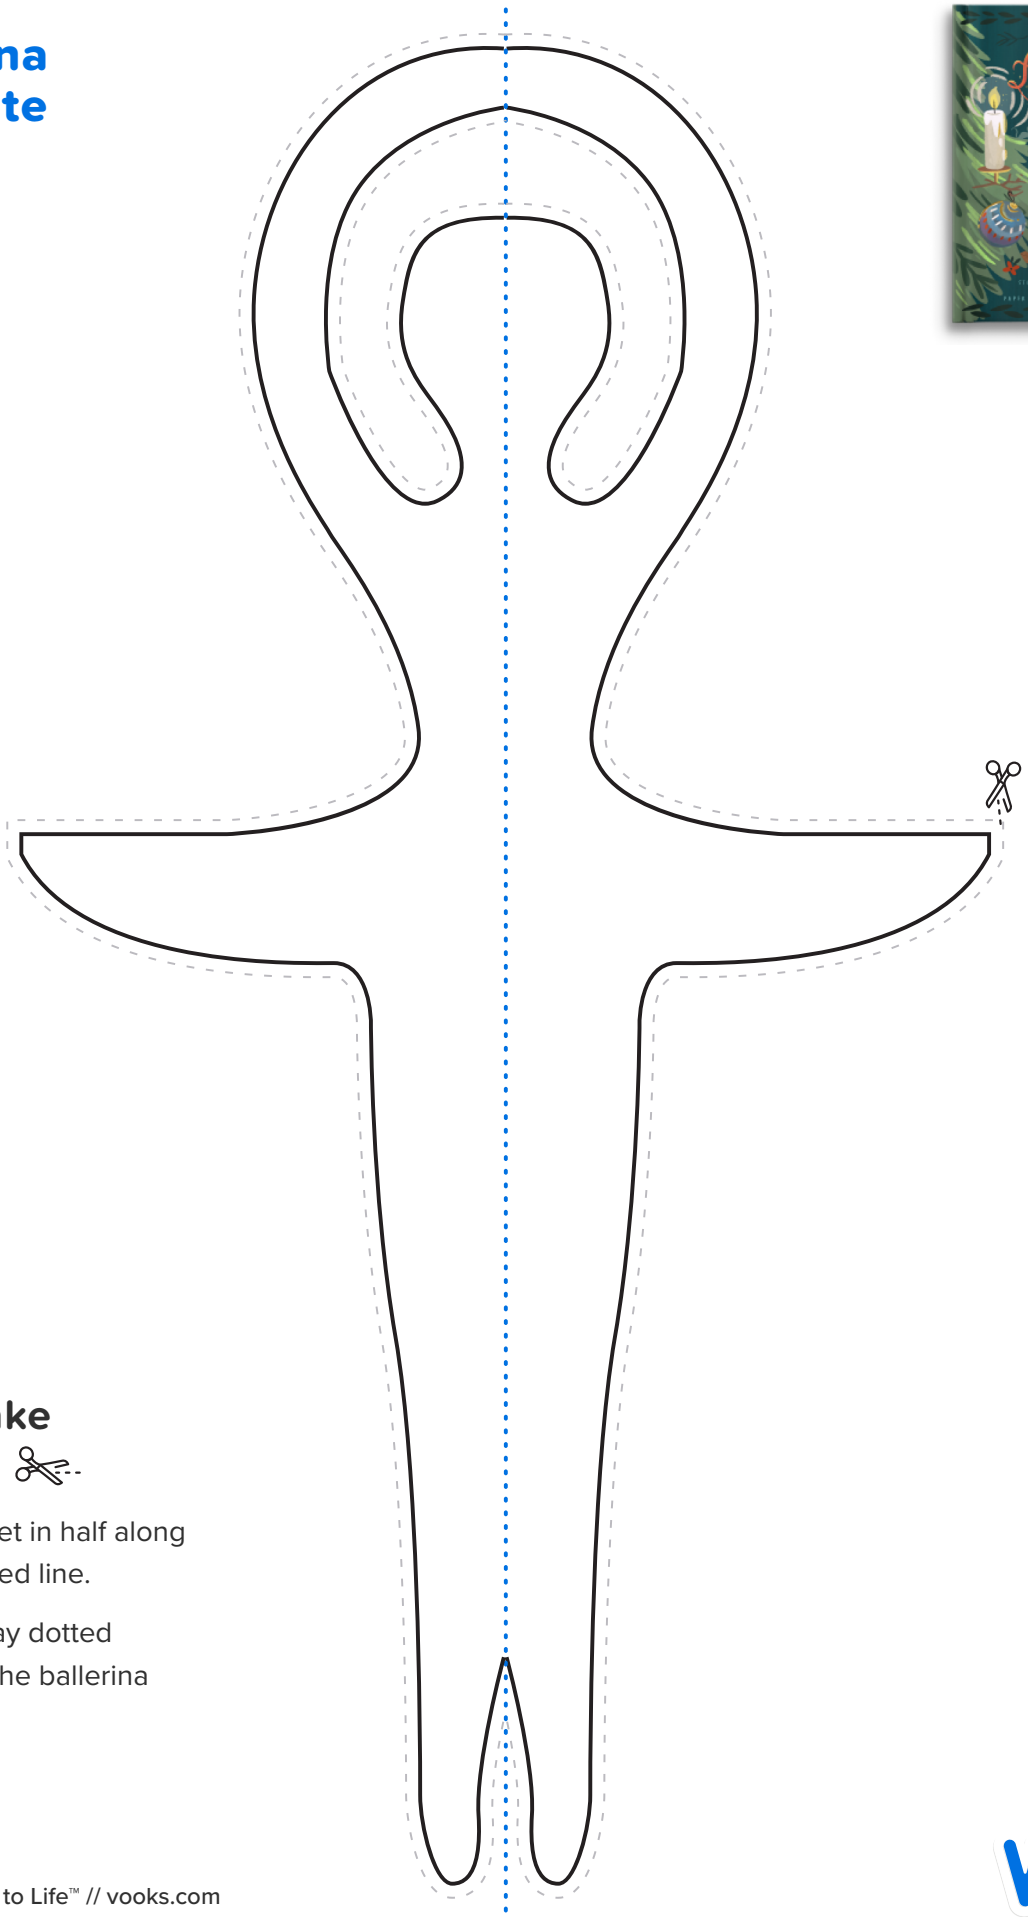

11. Cut a small slit in the middle of the folded skirt.

12. Slide your ballerina through the slit in the folded snowflake skirt. Your Snowflake Ballerina is ready!

Ballerina template

How to make a ballerina

1. Fold this sheet in half along the blue dotted line.
2. Using the gray dotted line, cut out the ballerina template.

Make a Dreidel for Caleb's Hanukkah

Materials

- Scissors
- Cardboard
- Drawing utensils
- Glue

Instructions

1. Color the dreidel template.
2. Glue this page to light cardboard.
3. Cut the template and cardboard out.
4. Cut an X on the blank side.
5. Fold along the blue dotted lines.
6. Apply glue to the tabs and adhere the tabs to the adjacent panel.
7. Put a straw or wood dowel through the top X cutout.
8. Play!
